Falcon: A one (1) year membership renewable at the end of the term purchased.

What does a Membership Cost?

Eagle: \$249.99/three years
Falcon: \$149.99/year

Why must I buy a Membership?

A Membership establishes EFI as a Professional Club, with exclusive Members.
In short, it keeps the high school bands, soccer teams, and other Non-crew out of our Club.

What is EFI's process for vetting selected other Airline Industry professionals to a Flight Crew level?

Employment via a commercial airline or corporate airline department fills the requirements for background checks and vetting. Documentation and verification of such employment will complete this requirement.
